

## Welcome!

The Yorkshire Young Achievers Awards come of age in 2010, reaching their 18th anniversary, and this milestone is being marked with the creation of a brand new charity, the Yorkshire Young Achievers Foundation.

Since the Awards were founded in 1993, they have raised £800,000 to support young people across the region. The creation of the Foundation will allow the fundraising to help even more children and youngsters in Yorkshire.

There are a number of ways to get involved with Yorkshire Young Achievers whether as a partner, a fundraiser or a supporter of the Yorkshire Young Achievers Awards.

If you have a fundraising idea or would like to take part in any of our fundraising events then we would love to hear from you. To be kept up to date with all the latest news please send us an email and we will be sure to keep in contact
